

SHOWER COLUMN INFINITY CC150 BRUSHED BRONZE

Item number: 1383013

The Infinity overhead shower set from Hafa is made from high-quality stainless steel and features a modern, well-balanced design with clean lines, a round overhead shower head and a slim shower handset. The combination of an overhead shower and a handset offers an enveloping shower experience and everyday flexibility.

The round overhead shower head measures 250 mm in diameter and features an anti-limescale function, making it easy to clean simply by running your fingers over the rubber nozzles. The height of the shower handset can be adjusted to suit your needs.

The telescopic shower rail makes it easy to adjust the height. The handset hose features AntiTwist, allowing it to rotate freely without twisting. The thermostatic mixer has a safety stop button at 38 °C for a safe and comfortable shower temperature.

The Infinity overhead shower set is easy to coordinate with other bathroom fittings and suits both modern and classic interiors.

You define the look – Hafa offers the choices and carefully considered details that bring design, materials and function together. With Hafa bathroom furniture and fittings, you can create a cohesive space – a bathroom that reflects you. Defined by details, reflecting you.
