

WASHBASIN INFINITY 1000

Item number: 1273132

The Infinity basin from Hafa is a recessed concrete washbasin with soft, harmonious shapes. The matt off-white colour creates a calm and modern expression that pairs especially well with vanity units in a wood finish.

The included open waste valve with a round concrete cover blends into the design and creates a unified look. The waste valve is fixed in an open position, and no overflow is required.

DETAILED INFORMATION

Item number	
NOBB	60941810
EAN	7330027183251
Standards and classifications	
EN standard	EN14688
CE marked	Yes
Sunda Hus	No
ETIM	EC011550
Product dimensions and weight	
Width	1010
Depth (mm)	462
Height (mm)	22
Height max. (mm)	135
Net weight (kg)	22,6
Material and surface treatment	
Main material	Concrete
Color	White
Packaging dimensions and weight	
Package height(m)	0,210
Package width (m)	1,070
Package depth(m)	0,520
Package weight(kg)	27,700

CARE INSTRUCTIONS

Concrete is a rustic material with natural variations in colour and surface. The material is porous and the surface of the basin has both been hardened and sealed to make the surface more resistant to stains. Treat the surface of the sink with wax (e.g. car wax) every 6 months. The surface can be damaged by abrasive sponges, scrubbing powder and similar products, which eventually leads to stains and damages that can't be repaired. Wipe of water drops with a soft cloth after use to avoid lime coating. If water is left standing in the basin, dark areas may occur which disappear after a few hours. Do not expose the washbasin to water with a temperature higher than 60°C or rapid temperature changes. Clean the washbasin with a damp cloth or sponge and possibly a little mild detergent. Avoid steel wool, abrasive sponges etc. Avoid cleaners and products containing abrasives, acids, ammonia, acetone or other chemicals (e.g. scrubbing powder, hair spray, hair colour, bleach, hair removal and nail polish remover etc.). Should you spill any of the above products on the wash basin it should be removed immediately to avoid damage.
