

UNDER CABINET EDGE SMOKED OAK STONE 1200D

Item number: 1590216

The Edge vanity unit in smoked oak from Hafa is a stylish unit with a stained oak veneer carcass and Dekton® fronts. The slim lines, mitred corners and exclusive materials give the unit an elegant look with a clear premium feel. The integrated SmoothOpen™ system combines push-open and soft-close for smooth and quiet use.

The Dekton® fronts have a scratch-resistant surface and a pattern that matches across the entire unit, creating a well-considered and cohesive impression. Smoked oak fronts are included, allowing the look to be varied according to style and taste. Handles are available as an optional extra for those who want to add a personal touch to the unit, while retaining the soft-closing function of the drawers.

The unit is delivered fully assembled with drawer mats that help keep the drawers organised, give the interior a well-considered feel and make cleaning easy. Complete with a worktop and countertop basin, or with an inset washbasin to complete the overall look.

25 year WARRANTY

Package depth(m)	1,020
Package weight(kg)	70,000
Miscellaneous	
Suspension type	Justerbara upphängningsbeslag med väggskena
Opening function	SmoothOpen

CARE INSTRUCTIONS

In order to keep the furniture in good condition, it is important that you look after it. Our furniture is manufactured from materials with excellent moisture resistance but items should still not be exposed to too much water. Always wipe off any water on the furniture. The simplest way to clean your furniture is to use a moist cloth, perhaps with a little ordinary eco-friendly detergent. Avoid using any detergents and products containing abrasive agents, acids, ammonia, acetone or other chemicals (such as scouring powder, hairspray, hair dye, bleach, hair removal cream and nail varnish remover, etc.). If any of the above items should get on the furniture, they should be removed immediately in order to avoid damage. Avoid having any sharp objects near the furniture that might damage the outer surface.
