

## UNDER CABINET NEAT DOORS WHITE 550 W BASIN

Item number: 1651124

Hafa Neat is a practical and small-space fitting vanity unit with Neat basin with overflow protection. The cabinet has Soft-Close function and is easy install for one person, with a rail and adjustable suspension brackets. The cabinet is prepared with room for both floor and wall drain at the back for easy installation and is furthermore ready mounted. Complete the unit with handle, pop up valve and waste trap. We do not recommend a mixer with waterfall spout in combination with this basin.

### DETAILED INFORMATION

<b>Item number</b>		<b>Material and surface treatment</b>	
NOBB	60070569	Main material	Chipboard, MDF, Porcelain
EAN	7330027169606	Front material	MDF
<b>Standards and classifications</b>		Body material	Chipboard
ETIM	EC011382	Surface treatment	Lacquered
<b>Product dimensions and weight</b>		Surface finish	Matt
Depth (mm)	320	Color	White
Height (mm)	550	<b>Packaging dimensions and weight</b>	
Net weight (kg)	21,5	Package height(m)	0,545
		Package width (m)	0,600
		Package depth(m)	0,500
		Package weight(kg)	25,000
		<b>Miscellaneous</b>	
		Suspension type	Justerbara upphängningsbeslag med väggskena
		Opening function	Soft close

### CARE INSTRUCTIONS

In order to keep the furniture in good condition, it is important that you look after it. Our furniture is manufactured from materials with excellent moisture resistance but items should still not be exposed to too much water. Always wipe off any water on the furniture. The simplest way to clean your furniture is to use a moist cloth, perhaps with a little ordinary eco-friendly detergent. Avoid using any detergents and products containing abrasive agents, acids, ammonia, acetone or other chemicals (such as scouring powder, hairspray, hair dye, bleach, hair removal cream and nail varnish remover, etc.). If any of the above items should get on the furniture, they should be removed immediately in order to avoid damage. Avoid having any sharp objects near the furniture that might damage the outer surface.
