

SHOWER CORNER INFINITY COMBI DOOR/WALL 90X90 CHROME

Item number: 1451085

Hafa Infinity is a premium shower enclosure with slimline fittings and an elegant handle design. The large glass panels create an airy feel and a wonderful sense of space in the bathroom. The durable finish of the fittings retains its attractive colour over time.The hinged doors are reversible and can be folded back against the wall when not in use, helping to create space for a luxurious shower even in smaller bathrooms. Magnetic seal included. Overall height: 2 m. 8 mm toughened safety glass.

Please note that Infinity is supplied without sealing strips as standard. It is therefore particularly important that the floor has the correct fall. Additional sealing strips are available separately.

You define the look – Hafa offers the choices and carefully considered details that bring design, materials and function together. With Hafa bathroom furniture and fittings, you can create a cohesive space – a bathroom that reflects you. Defined by details, reflecting you.

CARE INSTRUCTIONS

To facilitate the cleaning of shower doors and shower walls, the showers have large smooth surfaces and profiles without deep grooves. Discolouration is removed using citric or tartaric acid, rinse thoroughly afterwards. Limescale stains are removed using household vinegar warmed to 50 degrees: Rub it in, let it act, rinse away. Repeat for tough stains. Use rubbing alcohol to remove grease stains.
