

## SHOWER CABIN Hafa INSPIRE 90X90 ROUND

Item number: 1451350

Hafa Inspire Round is a classic shower enclosure with corner entry and sliding doors with magnetic closure in tempered clear glass. The low height of 2 m makes it ideal for bathrooms, basements, laundry rooms and summer cottages.

The shower cabinet has silver-coloured profiles and a stable tray in white acrylic with a height of 16 cm with a removable front and adjustable feet. One rear wall is made of frosted glass with holes for shower fittings, whilst the other rear wall is made of clear glass. It is equipped with an easily accessible water trap for easy cleaning. Inspire is made of tempered safety glass and comes with a shower set. Purchase CC 150 shower mixer, couplings and connections hoses.

### CARE INSTRUCTIONS

To facilitate the cleaning of shower doors and shower walls, the showers have large smooth surfaces and profiles without deep grooves. Discolouration is removed using citric or tartaric acid, rinse thoroughly afterwards. Limescale stains are removed using household vinegar warmed to 50 degrees: Rub it in, let it act, rinse away. Repeat for tough stains. Use rubbing alcohol to remove grease stains.
