

SHOWER CORNER INFINITY LACE 90X90 CHROME

Item number: 1451130

Infinity is an exclusive shower enclosure with sleek fittings and an elegant handle solution. Choose from three colours - chrome, matte black or brushed brass - and from clear glass or Lace glass with a metallic textile effect. The large areas of glass give an airy feel and create a wonderful sense of space in the bathroom. The doors are reversible and can be folded against the wall when not in use, making it possible to create a luxurious shower even in a smaller bathroom. Keep in mind that Infinity has no sealing strips as standard, so a correct floor fall is extra important. Magnetic strip included. Full height 2000 mm and with 8 mm tempered safety glass.

CARE INSTRUCTIONS

To facilitate the cleaning of shower doors and shower walls, the showers have large smooth surfaces and profiles without deep grooves. Discolouration is removed using citric or tartaric acid, rinse thoroughly afterwards. Limescale stains are removed using household vinegar warmed to 50 degrees: Rub it in, let it act, rinse away. Repeat for tough stains. Use rubbing alcohol to remove grease stains.
