

UNDER CABINET NEAT DOOR WITH BASIN ANTHRACITE 420

Item number: 1651121

Hafa Neat is a practical and small-space fitting vanity unit with Neat basin with overflow protection. The cabinet has Soft-Close function and is easy install for one person, with a rail and adjustable suspension brackets. The cabinet is prepared with room for both floor and wall drain at the back for easy installation and is furthermore ready mounted. Complete the unit with handle, pop up valve and waste trap. We do not recommend a mixer with waterfall spout in combination with this basin.

CARE INSTRUCTIONS

In order to keep the furniture in good condition, it is important that you look after it. Our furniture is manufactured from materials with excellent moisture resistance but items should still not be exposed to too much water. Always wipe off any water on the furniture. The simplest way to clean your furniture is to use a moist cloth, perhaps with a little ordinary eco-friendly detergent. Avoid using any detergents and products containing abrasive agents, acids, ammonia, acetone or other chemicals (such as scouring powder, hairspray, hair dye, bleach, hair removal cream and nail varnish remover, etc.). If any of the above items should get on the furniture, they should be removed immediately in order to avoid damage. Avoid having any sharp objects near the furniture that might damage the outer surface.
