BASIN MIXER VIBE LOW BRUSHED BRONZE

Item number: 1381463

The Vibe basin mixer from Hafa is a single-lever tap with a distinctive design, where a slender body meets angular lines to create a strong architectural character and a waterfall-inspired flow.Crafted from high-quality stainless steel, the mixer features a durable ceramic cartridge for reliable performance. Installation is quick and easy with EasyMount, a tool-free fixing system. The brushed surface is treated using PVD technology to achieve its final colour and a finish that retains its appearance over time.

Hafa develops taps with long-lasting durability and cutting-edge design. Materials and components are carefully selected based on extensive expertise in current building standards and installation methods.

You define the look – Hafa offers the choices and thoughtfully designed details that allow design, materials and functionality to work together. With Hafa bathroom furniture and interiors, you can create a complete bathroom that reflects who you are. Defined by details, reflecting you.
