

SOCKET BRIGHT FOR DRAWER

Item number: 1267261

Easily connect and charge your electrical appliances in the bathroom with the Hafa Bright drawer socket. Easily mounted on the back plate of the drawer. The 60 cm cord and plug are pre-installed and connect to a grounded 230V socket on the wall behind the drawer. Thanks to the plug connection, the socket can easily be disconnected when the drawer is removed, e.g. when cleaning the water trap.
