

BASIN CIRCLE STEEL BRUSHED BRONZE

Item number: 1273532

This elegant countertop basin in stainless steel is characterised by its slim profile and exclusive brushed finish. Available in brass and black chrome, it makes it easy to create a personalised bathroom design. The durable surface is designed to retain its beautiful colour and lustre over time.

Designed for installation on top of a worktop, the basin is paired with a tall basin mixer to create a clean and contemporary look. Its minimalist form without an overflow enhances the streamlined aesthetic, while the included waste valve provides a complete and well-considered solution.

For an elegant installation, the basin can be complemented with the Smart trap 1265605 or the PUM trap 1265600.

DETAILED INFORMATION

Item number	
EAN	7330027183268
Standards and classifications	
EN standard	EN14688
CE marked	Yes
ETIM	EC011550
Product dimensions and weight

Surface finish	Brushed
Color	Bronze
Packaging dimensions and weight	
Package height(m)	0,160
Package width (m)	0,460
Package depth(m)	0,460
Package weight(kg)	6,000

CARE INSTRUCTIONS

Remove soap residue and limescale daily with a damp cloth and, if needed, a mild detergent. Do not use any detergents and products containing abrasive agents, acids, ammonia, acetone or other chemicals (such as scouring powder, hairspray, hair dye, bleach, hair removal cream and nail varnish remover, etc.). If any of the above items should get on the product, they should be removed immediately in order to avoid damage. Mild acidic solutions can be used to remove limescale if rinsed with plenty of water afterwards. If the acidic solution is left on the surface it may cause permanent stains. Do not use steel wool or abrasive sponges. Do not place hot objects (eg. a curling iron) on the surface and avoid any sharp objects that can damage the surface.
