

SHOWER DOOR INFINITY LACE 90 CHROME

Item number: 1451105

Infinity is an exclusive shower door with sleek fittings and an elegant handle solution. Choose from three colours - chrome, matte black or brushed brass - and from clear glass or Lace glass with a metallic textile effect. The large areas of glass give an airy impression and create a wonderful sense of space in the bathroom. The door can be folded against the wall when not in use, allowing you to create a luxurious shower even in a small bathroom. The door is reversible so you can choose which wall to install it on. The shower door can be combined with other doors and walls in the Infinity series. Keep in mind that Infinity has no sealing strips as standard, so a correct floor drop is extra important. Magnetic strip included. Full height 2000 mm and with 8 mm tempered safety glass.

CARE INSTRUCTIONS

To facilitate the cleaning of shower doors and shower walls, the showers have large smooth surfaces and profiles without deep grooves. Discolouration is removed using citric or tartaric acid, rinse thoroughly afterwards. Limescale stains are removed using household vinegar warmed to 50 degrees: Rub it in, let it act, rinse away. Repeat for tough stains. Use rubbing alcohol to remove grease stains.
