

UNDER CABINET GO PLUS BEIGE 800 WITH BASIN

Item number: 1580488

The Go Plus vanity unit with washbasin from Hafa is a practical and stylish unit with two soft-close, fully extendable drawers and integrated handles. The inset washbasin with a rectangular bowl gives the unit a clean, modern look in the bathroom. The lower drawer has generous height for storing upright products, while the full-extension drawers provide a clear overview and smooth use.

The unit is delivered fully assembled and is easy to install with wall rail and adjustable suspension fittings. The vanity unit is available in several sizes, making it easy to adapt to the bathroom's dimensions and needs.

Add mixer, pop-up waste and waste trap. Power socket and drawer lightning are available as optional extras.

CARE INSTRUCTIONS

In order to keep the furniture in good condition, it is important that you look after it. Our furniture is manufactured from materials with excellent moisture resistance but items should still not be exposed to too much water. Always wipe off any water on the furniture. The simplest way to clean your furniture is to use a moist cloth, perhaps with a little ordinary eco-friendly detergent. Avoid using any detergents and products containing abrasive agents, acids, ammonia, acetone or other chemicals (such as scouring powder, hairspray, hair dye, bleach, hair removal cream and nail varnish remover, etc.). If any of the above items should get on the furniture, they should be removed immediately in order to avoid damage. Avoid having any sharp objects near the furniture that might damage the outer surface.
