

## SHOWER CORNER IGLOOPRO FOLD 70X70 BLACK

Item number: 1450730

Shower enclosure with foldable doors in clear glass that can free up space and make it possible with a smart solution for the small bathroom where it can be difficult to fit a traditional corner enclosure. The foldable door can easily be folded into the wall when not in use and creates a practical solution also for when toilet or bathroom furniture is close to the shower area. The shower corner is sturdy with wall profiles in eloxated or black painted aluminum that can be mounted with screws or using glue plates. The corner has a patent filed solution for easy installation and adjustment, Hafa's InstaQuick™. The doors have lifting function to ensure they do not collide with the floor when opened and are reversible so you can choose what wall to mount onto. The shower door can be combined with other components in the IglooPro series. 6 mm safety glass. Height 2000 mm. Can be mounted where visible piping is present, 35 mm. 22 mm gasket, magnet enclosure and integrated handles are included.

### DETAILED INFORMATION

Item number		Material and surface treatment	
NOBB	57886292	Main material	Safety glass, Aluminum
RSK	7309878	Surface treatment	Lacquered
EAN	7330027121048	Glass	Clear glass
Standards and classifications		Color	Black
EN standard	EN14428	Packaging dimensions and weight	
CE marked	Yes	Package width (m)	0,180
ETIM	EC010034	Package height(m)	2,080
Product dimensions and weight		Package depth(m)	0,430
Height (mm)	2000	Package weight(kg)	48,000
Width	700		
Width max (mm)	710		
Width min. (mm)	690		
Depth (mm)	700		
Depth max. (mm)	710		
Depth min. (mm)	690		
Glass thickness, door (mm)	6		
Hinge lift height (mm)	4		
Floor gap max. (mm)	8		
Net weight (kg)	44		
Left/right model	Vändbar		

## CARE INSTRUCTIONS

---

To facilitate the cleaning of shower doors and shower walls, the showers have large smooth surfaces and profiles without deep grooves. Discolouration is removed using citric or tartaric acid, rinse thoroughly afterwards. Limescale stains are removed using household vinegar warmed to 50 degrees: Rub it in, let it act, rinse away. Repeat for tough stains. Use rubbing alcohol to remove grease stains.
