

VANITY CABINET GO WHITE 600

Item number: 1580040

Hafa Go basin vanity units are practical and modern bathroom furniture with smooth fronts. Complete the unit with a basin and set your personal style with one of our handles. Two Soft-Close drawers with full extension gives a good view over the contents.

The vanity unit is ready-mounted and easy to install with a rail and adjustable suspension brackets and room for piping to floor and wall sewerage. Hafa Go bathroom cabinets comes in several widths and colours. Complete the unit with basin, handle, mixer, pop up valve, waste trap and power socket.

Sunda Hus	No
ETIM	eC011382
Environmental assessments	Byggvarubedömningen accepted
BVB id	169887
EPD HUB id	HUB-4005
Product dimensions and weight	
Width	600
Depth (mm)	456
Height (mm)	460
Hole spacing, handle (mm)	0, 64, 128, 160, 256
Net weight (kg)	20

Material and surface treatment	
Main material	Chipboard
Front material	MDF
Body material	Chipboard
Surface treatment	Lacquered
Surface finish	Matt
Color	White
Packaging dimensions and weight	
Package height(m)	0,490
Package width (m)	0,645
Package depth(m)	0,488
Package weight(kg)	23,450
Miscellaneous	
Suspension type	Justerbara upphängningsbeslag med väggskena
Opening function	Soft close

CARE INSTRUCTIONS

In order to keep the furniture in good condition, it is important that you look after it. Our furniture is manufactured from materials with excellent moisture resistance but items should still not be exposed to too much water. Always wipe off any water on the furniture. The simplest way to clean your furniture is to use a moist cloth, perhaps with a little ordinary eco-friendly detergent. Avoid using any detergents and products containing abrasive agents, acids, ammonia, acetone or other chemicals (such as scouring powder, hairspray, hair dye, bleach, hair removal cream and nail varnish remover, etc.). If any of the above items should get on the furniture, they should be removed immediately in order to avoid damage. Avoid having any sharp objects near the furniture that might damage the outer surface.
