

TOWEL WARMER EDGE 500X1200 COFFEE

Item number: 1509975

An elegant towel warmer in a new shimmering coffee color and with great care in the details. It has plenty of space for towels to dry properly. You connect it to your existing closed water system. Also connect an electric element to the electricity grid to be able to regulate the heat all year round.

RSK	8684927	Surface finish	Glossy
EAN	7330027114415	Surface treatment	Lacquered
Standards and classifications		Packaging dimensions and weight	
EN standard	EN442	Package height(m)	1,350
CE marked	Yes	Package width (m)	0,530
ETIM	EC011023	Package depth(m)	0,075
Product dimensions and weight		Package weight(kg)	7,990
Width	500	Miscellaneous	
Depth (mm)	85	Heating	Vatten/EI
Depth max. (mm)	91	Power Water (T50°)	400W
Depth min. (mm)	83	Connection	Electric operation with element, Dual operation – water & electricity, Central heating with water
Height (mm)	1120		
Net weight (kg)	8		
Water volume (l)	3,7		

CARE INSTRUCTIONS

Regularly remove lime residue with a damp cloth. Do not use detergents that are corrosive, acidic or abrasive as it can cause permanent damage to the surface. Remember to fill your towel warmer with glycol if you have it in a room exposed to subzero temperature, such as summer residence. Save your heaters installation instructions as you may want to adjust the settings
