

SHOWER CORNER INFINITY LACE 90X90 BRONZE

Item number: 1451133

Hafa Infinity Lace is an exclusive shower enclosure featuring slim fittings, an elegant handle solution and glass with a beautiful metallic textile effect. The large glass panels create a light and airy feel, adding a wonderful sense of space to the bathroom. The fittings feature durable surfaces that retain their beautiful colour over time. The doors can be folded in towards the wall when not in use, making it possible to create a luxurious shower solution even in a smaller bathroom. The door is reversible, allowing you to choose which wall it is installed on. The shower door can be combined with other doors and panels in the Infinity range. Full height of 2 m and 8 mm toughened clear safety glass. Magnetic sealing strip included.

Please note that Infinity is supplied without sealing strips as standard. A correctly sloped floor is therefore particularly important. Additional sealing strips are available separately.

You define the look – Hafa offers the choices and thoughtfully designed details that allow design, materials and functionality to work together. With Hafa bathroom furniture and interiors, you can create a complete bathroom that reflects who you are. Defined by details, reflecting you.

DETAILED INFORMATION

Item number	
EAN	7330027187662
Standards and classifications	
EN standard	EN14428
CE marked	Yes
ETIM	EC010034
Product dimensions and weight	
Height (mm)	2000
Width	900
Depth (mm)	900
Glass thickness (mm)	8
Floor gap max. (mm)	16
Net weight (kg)	74,8
Left/right model	Vändbar

Material and surface treatment	
Main material	Safety glass, Brass
Surface treatment	PVD
Glass	Lace
Color	Bronze
Packaging dimensions and weight	
Package width (m)	0,950
Package height(m)	2,080
Package depth(m)	0,200
Package weight(kg)	79,620

CARE INSTRUCTIONS

To facilitate the cleaning of shower doors and shower walls, the showers have large smooth surfaces and profiles without deep grooves. Discolouration is removed using citric or tartaric acid, rinse thoroughly afterwards. Limescale stains are removed using household vinegar warmed to 50 degrees: Rub it in, let it act, rinse away. Repeat for tough stains. Use rubbing alcohol to remove grease stains.
