The durable finish of the fittings is designed to retain its attractive colour over time.The hinged doors are reversible and can be folded back against the wall when not in use, helping to free up space and making it possible to create a luxurious shower area even in a smaller bathroom. A magnetic seal is included. Overall height: 2 m. Made from 8 mm clear toughened safety glass.

Please note that Infinity is supplied without sealing strips as standard, so it is particularly important that the floor has the correct fall. Additional sealing strips are available separately.

## CARE INSTRUCTIONS

To facilitate the cleaning of shower doors and shower walls, the showers have large smooth surfaces and profiles without deep grooves. Discolouration is removed using citric or tartaric acid, rinse thoroughly afterwards. Limescale stains are removed using household vinegar warmed to 50 degrees: Rub it in, let it act, rinse away. Repeat for tough stains. Use rubbing alcohol to remove grease stains.
