

BASIN MIXER INFINITY HIGH BRUSHED BRASS

Item number: 1381432

The mixer is made from high-quality stainless steel and features a durable ceramic cartridge. EasyMount makes installation simple and tool-free. The brushed surface is treated using PVD technology to achieve its final colour and finish, helping it retain its appearance over time.

Hafa develops mixers with long-lasting quality and forward-thinking design. Materials and components are carefully selected, supported by extensive knowledge of current building regulations and installation methods.

You define the look – Hafa offers the choices and carefully considered details that bring design, materials and function together. With Hafa bathroom furniture and fittings, you can create a cohesive space – a bathroom that reflects you. Defined by details, reflecting you.
