

SHOWER WALL INFINITY LACE 90 BRONZE

Item number: 1451118

Hafa Infinity Lace is a premium shower panel with slimline fittings, an elegant shower curtain rail and glass with a refined metallic textile effect. The generous glass surfaces create a light, open feel and enhance the sense of space in the bathroom. The panel is reversible, allowing it to be installed on either side.The shower panel can be combined with doors from the Infinity range or complemented with a stylish shower curtain to create a warm and luxurious shower area. A magnetic seal is included. Overall height: 2 m. Made from 8 mm clear toughened safety glass.

Please note that Infinity is supplied without sealing strips as standard, so it is particularly important that the floor has the correct fall. Additional sealing strips are available separately.

You define the look – Hafa offers the choices and carefully considered details that bring design, materials and function together. With Hafa bathroom furniture and fittings, you can create a cohesive space – a bathroom that reflects you. Defined by details, reflecting you.

CARE INSTRUCTIONS

To facilitate the cleaning of shower doors and shower walls, the showers have large smooth surfaces and profiles without deep grooves. Discolouration is removed using citric or tartaric acid, rinse thoroughly afterwards. Limescale stains are removed using household vinegar warmed to 50 degrees: Rub it in, let it act, rinse away. Repeat for tough stains. Use rubbing alcohol to remove grease stains.
