

HIGH CABINET EDGE SMOKED OAK

Item number: 1590372

Edge from Hafa is a high cabinet in smoked oak with a real wood veneer finish. The cabinet features slim edges and a clean, modern form that creates a minimalist and elegant look in the bathroom. The door opens with a push-to-open function, giving a smooth front with no visible handles.

Inside, there are five shelves: Four height-adjustable glass shelves held securely in place, and one fixed wooden shelf.

The cabinet is delivered fully assembled and mounted easily on the wall. The door can be installed left- or right-handed to suit your bathroom. A mirror is fitted on the inside of the door. Power socket available as an option.

CARE INSTRUCTIONS

In order to keep the furniture in good condition, it is important that you look after it. Our furniture is manufactured from materials with excellent moisture resistance but items should still not be exposed to too much water. Always wipe off any water on the furniture. The simplest way to clean your furniture is to use a moist cloth, perhaps with a little ordinary eco-friendly detergent. Avoid using any detergents and products containing abrasive agents, acids, ammonia, acetone or other chemicals (such as scouring powder, hairspray, hair dye, bleach, hair removal cream and nail varnish remover, etc.). If any of the above items should get on the furniture, they should be removed immediately in order to avoid damage. Avoid having any sharp objects near the furniture that might damage the outer surface.
