

SHOWER CORNER IGLOOPRO FOLD 70X80 BLACK

Item number: 1450731

Shower enclosure with foldable doors in clear glass that can free up space and make it possible with a smart solution for the small bathroom where it can be difficult to fit a traditional corner enclosure. The foldable door can easily be folded into the wall when not in use and creates a practical solution also for when toilet or bathroom furniture is close to the shower area. The shower corner is sturdy with wall profiles in eloxated or black painted aluminum that can be mounted with screws or using glue plates. The corner has a patent filed solution for easy installation and adjustment, Hafa's InstaQuick™. The doors have lifting function to ensure they do not collide with the floor when opened and are reversible so you can choose what wall to mount onto. The shower door can be combined with other components in the IglooPro series. 6 mm safety glass. Height 2000 mm. Can be mounted where visible piping is present, 35 mm. 22 mm gasket, magnet enclosure and integrated handles are included.

CE marked	Yes	Package width (m)	0,180
ETIM	EC010034	Package height(m)	2,080
Product dimensions and weight		Package depth(m)	0,480
Height (mm)	2000	Package weight(kg)	51,500
Width	700		
Width max (mm)	710		
Width min. (mm)	690		
Depth (mm)	800		
Depth max. (mm)	810		
Depth min. (mm)	790		
Glass thickness (mm)	6		
Hinge lift height (mm)	4		
Floor gap max. (mm)	8		
Net weight (kg)	47		
Left/right model	Vändbar		

CARE INSTRUCTIONS

To facilitate the cleaning of shower doors and shower walls, the showers have large smooth surfaces and profiles without deep grooves. Discolouration is removed using citric or tartaric acid, rinse thoroughly afterwards. Limescale stains are removed using household vinegar warmed to 50 degrees: Rub it in, let it act, rinse away. Repeat for tough stains. Use rubbing alcohol to remove grease stains.
