

SHOWER DOOR IGLOOPRO FOLD 70 CLEAR BLACK

Item number: 1450395

Shower enclosure with foldable doors in clear glass that can free up space and make it possible with a smart solution for the small bathroom where it can be difficult to fit a traditional corner enclosure. The foldable door can easily be folded into the wall when not in use and creates a practical solution also for when toilet or bathroom furniture is close to the shower area. The shower corner is sturdy with wall profiles in anodized or black painted aluminum that can be mounted with screws or using glue plates. The corner has a patent filed solution for easy installation and adjustment, Hafa's InstaQuick™. The doors have lifting function to ensure they do not collide with the floor when opened and are reversible so you can choose what wall to mount onto. The shower door can be combined with other components in the IglooPro series. 6 mm safety glass. Height 2000 mm. Can be mounted where visible piping is present, 35 mm. 22 mm gasket, magnet enclosure and integrated handles are included.

25 year WARRANTY

DETAILED INFORMATION

Item number		Material and surface treatment	
NOBB	57886265	Main material	Safety glass, Aluminum
RSK	7302908	Surface treatment	Lacquered
EAN	7330027119618	Glass	Clear glass
		Color	Black
Standards and classifications		Packaging dimensions and weight	
EN standard	EN14428	Package width (m)	0,090
CE marked	Yes	Package height(m)	2,080
ETIM	EC010962	Package depth(m)	0,430
		Package weight(kg)	24,000
Product dimensions and weight			
Height (mm)	2000		
Width	675		
Width max (mm)	685		
Width min. (mm)	665		
Depth (mm)	27		
Glass thickness (mm)	6		
Hinge lift height (mm)	4		
Net weight (kg)	22		
Left/right model	Vändbar		

CARE INSTRUCTIONS

To facilitate the cleaning of shower doors and shower walls, the showers have large smooth surfaces and profiles without deep grooves. Discolouration is removed using citric or tartaric acid, rinse thoroughly afterwards. Limescale stains are removed using household vinegar warmed to 50 degrees: Rub it in, let it act, rinse away. Repeat for tough stains. Use rubbing alcohol to remove grease stains.
