

KITCHEN MIXER SERVE XL PULL OUT & DISHWASHER SHUTOFF BRUSHED

Item number: 1382533

Serve XL is an elegant, tall kitchen mixer tap from Hafa with soft contours. The Serve XL kitchen tap has a dishwasher shut-off and a pull-out spout. The pull-out spout provides extra reach and makes work in the kitchen easier. Switch between normal spray and a shower spray with a little extra force at the touch of a button.The tap is made from high-quality stainless steel, with a hard-wearing ceramic cartridge and EasyMount tool-free installation. The brushed surface is treated using PVD technology to give the tap its final colour and a finish that retains its look over time. To maintain the lustre of the brushed surface, wipe with a soft, non-abrasive cloth after use.The tap is generously sized, so measure beneath the wall unit before purchase.

Hafa develops taps built to last, with cutting-edge design. Materials and components are chosen with care and a thorough knowledge of current building regulations and installation methods.

You decide the look – Hafa offers the choices and the carefully considered details that let design, materials and function work in harmony. With Hafa bathroom furnishings, you can create a cohesive whole, a bathroom that reflects you. Defined by details, reflecting you.

DETAILED INFORMATION

Item number

RSK	8312745
EAN	7330027184883

Standards and classifications

EN standard	EN817
CE marked	Yes
ETIM	EC011431

Product dimensions and weight

C/C measure, spout to body	200
Depth (mm)	240
Hole dimension (mm)	35-38
Height (mm)	485
Height to spout (mm)	233
Width	156
Net weight (kg)	4

Connection type

Connection incoming water (inch)	G 3/8
	1/2

Material and surface treatment

Color	Brushed bronze
Main material	Stainless steel
Surface treatment	PVD
Surface finish	Brushed
