

SHOWEROUNDCABIN BREEZE 90X90 SQUARE

Item number: 1450771

Airy and stylish shower cabin with straight doors in clear glass. The twin doors give the shower an elegant look while creating a generous opening. The shower cabin is suitable both for the bathroom and other spaces such as basements, laundry rooms or in the summer cottage as it is 2m high and can thus be installed in rooms with only 2.05 m ceiling height. The low tray is only 115mm high, which makes it easy to enter. The stable tray in white acrylic has a removable front, accessible water trap, and is easy to keep clean due to its smooth surfaces and profiles. The installation of the mixer is done on the right or left side. The shower cabin is delivered with a shower set. The feet of the tray can be adjusted 30 mm to stand stably on an uneven floor. Hole making for mixer cc 150-160. Toughened safety glass.

CARE INSTRUCTIONS

To facilitate the cleaning of shower doors and shower walls, the showers have large smooth surfaces and profiles without deep grooves. Discolouration is removed using citric or tartaric acid, rinse thoroughly afterwards. Limescale stains are removed using household vinegar warmed to 50 degrees: Rub it in, let it act, rinse away. Repeat for tough stains. Use rubbing alcohol to remove grease stains.
