

SHOWER DOOR INFINITY LACE 90 BRONZE

Item number: 1451108

Hafa Infinity Lace is a premium shower door with slimline fittings, an elegant handle design and glass with a refined metallic textile effect. The generous glass surfaces create a light, open feel and enhance the sense of space in the bathroom. The durable finish of the fittings is designed to retain its attractive colour over time.The door can be folded back against the wall when not in use, helping to free up space and making it possible to create a luxurious shower area even in a smaller bathroom. It is reversible, so it can be installed on either the left- or right-hand side. The shower door can also be combined with other doors and panels from the Infinity range. Overall height: 2 m. Made from 8 mm clear toughened safety glass. Magnetic seal included.

Please note that Infinity is supplied without sealing strips as standard, so it is particularly important that the floor has the correct fall. Additional sealing strips are available separately.

You define the look – Hafa offers the choices and carefully considered details that bring design, materials and function together. With Hafa bathroom furniture and fittings, you can create a cohesive space – a bathroom that reflects you. Defined by details, reflecting you.

DETAILED INFORMATION

Floor gap max. (mm)	16
Net weight (kg)	37,4
Left/right model	Vändbar

Material and surface treatment	
Main material	Safety glass, Brass
Surface treatment	PVD
Glass	Lace
Color	Bronze
Packaging dimensions and weight	
Package width (m)	0,950
Package height(m)	2,080
Package depth(m)	0,200
Package weight(kg)	39,810

CARE INSTRUCTIONS

To facilitate the cleaning of shower doors and shower walls, the showers have large smooth surfaces and profiles without deep grooves. Discolouration is removed using citric or tartaric acid, rinse thoroughly afterwards. Limescale stains are removed using household vinegar warmed to 50 degrees: Rub it in, let it act, rinse away. Repeat for tough stains. Use rubbing alcohol to remove grease stains.
