Item number: 1451155

Exclusive shower enclosure with sleek fittings and an elegant handle solution. The large glass surfaces give an airy impression and create a wonderful sense of space in the bathroom. The shower enclosure consists of a fixed wall and an opening door. The door and wall are reversible so you can choose whether the door should be placed on the right or left. CARE INSTRUCTIONS

To facilitate the cleaning of shower doors and shower walls, the showers have large smooth surfaces and profiles without deep grooves. Discolouration is removed using citric or tartaric acid, rinse thoroughly afterwards. Limescale stains are removed using household vinegar warmed to 50 degrees: Rub it in, let it act, rinse away. Repeat for tough stains. Use rubbing alcohol to remove grease stains.
