

# FIXATION BAR INFINITY BRUSHED BRONZE

Item number: 1451023

The Infinity stabilising bar from Hafa is a flexible and stylish solution for stabilising a shower panel or securing a shower door. It can also be used as a shower curtain rail, offering several practical uses in the bathroom.

The adjustable length of 800–1200 mm makes it easy to adapt the bar to different shower solutions and bathroom layouts. A practical accessory for Hafa Infinity showers, combining stability, flexibility and function.
