

DRAWER LIGHTING 600

Item number: 1267280

LED lighting fitted inside the basin vanity unit. The light comes on when the drawer is opened and lights up the drawer. Edge basin vanity units and side modules have pre-cut holes to make it easy to install the drawer lighting. Transformer included, fitted to the back of the cabinet and connected to 230 V. If lighting is required in both drawers, use two sets of drawer lighting. Warm white light. IP20.

DETAILED INFORMATION

Item number		Material and surface treatment	
NOBB	51475646	Main material	Aluminum
RSK	8934472	Surface treatment	Anodized
EAN	7330027103273	Surface finish	Matt
Stocked article	Yes	Color	Silver
Standards and classifications		Packaging dimensions and weight	
EN standard	EN60598, EN55015, EN61000	Package height(m)	0,050
CE marked	Yes	Package width (m)	0,620
