

TVÄTTSTÄLLSKÅP EDGE SMOKED OAK STONE 800 WITH BASIN

Item number: 1590229

The Edge vanity unit in smoked, stained oak veneer with Dekton fronts from Hafa is a stylish unit with slim lines, mitred corners and exclusive materials. The inset washbasin with its spacious bowl completes the overall look and gives the bathroom a premium feel.

The combination of smoked oak and Dekton creates an elegant and beautiful expression. Dekton is a highly durable and hard-wearing material that is well suited to bathroom environments and contributes to a beautiful and unique overall look.

Smoked oak fronts are included, making it possible to vary the appearance of the vanity unit. SmoothOpen™ combines push-open and soft-close for smooth and quiet use.

The unit is delivered fully assembled with drawer mats that help keep the drawers organised and make cleaning easy. Handles are available as an optional extra, allowing the look of the unit to be customised.

CARE INSTRUCTIONS

In order to keep the furniture in good condition, it is important that you look after it. Our furniture is manufactured from materials with excellent moisture resistance but items should still not be exposed to too much water. Always wipe off any water on the furniture. The simplest way to clean your furniture is to use a moist cloth, perhaps with a little ordinary eco-friendly detergent. Avoid using any detergents and products containing abrasive agents, acids, ammonia, acetone or other chemicals (such as scouring powder, hairspray, hair dye, bleach, hair removal cream and nail varnish remover, etc.). If any of the above items should get on the furniture, they should be removed immediately in order to avoid damage. Avoid having any sharp objects near the furniture that might damage the outer surface.
