

QUEEN 1570 LT-CHROME

Item number: 1445132

A bath in genuine cast marble that retains heat and provides good stability. Can be combined with different decorative feet.

DETAILED INFORMATION

Item number		Material and surface treatment	
NOBB	27395938	Main material	Cast marble
RSK	7307636	Surface finish	Glossy
EAN	7330027027388	Color	White
Stocked article	Yes	Equipment	
Standards and classifications		Outlet drain	Yes
ETIM	EC011609	Drainage pipe	Yes
EN standard	EN14516	Packaging dimensions and weight	
CE marked	Yes	Package height(m)	0,750
Product dimensions and weight		Package width (m)	1,600
Bathing depth (mm)	420	Package depth(m)	0,850
Height (mm)	730	Package weight(kg)	102,500
Height min. (mm)	730		
Interior depth	420		
Length (mm)	1570		
Width	760		
Net weight (kg)	73		
Water volume (l)	166		

CARE INSTRUCTIONS

A cast marble bathtub has a surface layer that can easily be kept free from dirt, etc. using a soft cloth and a mild liquid eco-friendly detergent. To maintain this surface layer, avoid using scrubbing brushes and abrasive sponges which would dull the material and produce scratches. Treat your washbasin with our unique cleaning polish 4–6 times a year to ensure it remains glossy and water-repellent. If the washbasin becomes scratched or damaged, it can be rubbed down carefully with 600–1200 grit wet sandpaper. Next use 2000 grit wet sandpaper and water to ensure fine sanding. Finish off with polish applied with a soft cloth. A repair kit is available for more serious cases of damage. Avoid using any detergents and products containing abrasive agents, acids, ammonia, acetone or other chemicals (such as scouring powder, hairspray, hair dye, bleach, hair removal cream and nail varnish remover, etc.). If any of the above items should get on the product, they should be removed immediately in order to avoid damage. Ensure that there are no sharp objects in the vicinity of the washbasin that might damage it.
