

# SHOWER DOOR INFINITY 80 BLACK

Item number: 1451031

Hafa Infinity is a premium shower door with slimline fittings and an elegant handle design. The large glass panels create an airy feel and a wonderful sense of space in the bathroom. The fittings have durable finishes that retain their beautiful colour over time.The door can be swung back against the wall when not in use, making room for a luxurious shower even in a small bathroom. It is reversible, so you can choose which wall to install it on. The shower door can be combined with other doors and panels in the Infinity range. Overall height: 2 m, with 8 mm clear toughened safety glass. Magnetic seal included.

Please note that Infinity is supplied without sealing strips as standard. It is therefore particularly important that the floor has the correct fall. Additional sealing strips can be purchased separately.

You define the look – Hafa offers the choices and carefully considered details that bring design, materials and function together. With Hafa bathroom furniture and fittings, you can create a cohesive space – a bathroom that reflects you. Defined by details, reflecting you.

## *CARE INSTRUCTIONS*

To facilitate the cleaning of shower doors and shower walls, the showers have large smooth surfaces and profiles without deep grooves. Discolouration is removed using citric or tartaric acid, rinse thoroughly afterwards. Limescale stains are removed using household vinegar warmed to 50 degrees: Rub it in, let it act, rinse away. Repeat for tough stains. Use rubbing alcohol to remove grease stains.
